KUCHNI GRECKIEJ

Several recipe cards are pinned to the board, each on a green background. The cards contain text in Polish, likely describing Greek dishes. The text is too small to read accurately but appears to be organized into columns and rows.

The bulletin board features a collection of approximately 15 photographs. The photos depict various scenes from the internship, including group portraits of the participants, individuals working in a professional kitchen, and scenic views of the Greek coastline. A logo in the top left corner identifies the program as 'STAZ ZAWODOWA' (Professional Internship) at a public gastronomy and hotelery institution.
